StichtingKatholiekOnderwijs Saba (SKOSaba) announces there is a

Vacancy for a Primary School Teacher (1,0 fte) (starting January 2022)

Our organization and school

StichtingKatholiekOnderwijs Saba (SKOSaba) has been the only primary school education organization on the island of Saba offering inclusive education. It is the only primary school for this small English-speaking island with a catholic background, but we are open to other denominations. We currently cater to 172 students. Our student population is very diverse in background, in language and socio-economic status with a wide range of needs. A small rise in numbers is expected in the coming years.

The current organization consists of the SKOSababoard, a principal and the team. The team, with approximately 25-mainly- full-time teachers and aides, 1 care coordinator and support staff, is very diverse in educational background and experience. The school has 9 classes this schoolyear

The main tasks and responsibilities of the teacher are:

The class teacher teaches and supervises pupils, contributes to the preparation and development of education, to the school organization and is responsible for personal professionalization. The class teacher works in a positive way with colleagues, parents and external parties. The class teacher has strong didactical, pedagogical and organizational skills.
